Summary

MCA student, passionate about software development and IT. I have gained expertise in various technologies throughout my academic and project experiences. Eager to learn more, explore new technologies, and contribute my skills.

Qualification

- Master in Computer Application from Vivekanand Education Society's Institute of Technology, Chembur, Mumbai, Maharashtra, 2023-2025, (Pursuing)
- Completed B.Sc. Computer Science from Ramniranjan Jhunjhunwala College, Mumbai, Maharashtra, 2020-2023, (9.06 CGPA, A+ Grade)

Technical Skills

- Programming languages: Java (Core Java, OOPS, Java Collections), JavaScript (Basic)
- Frontend: HTML, CSS, Bootstrap, Android Studio
- Backend: SQL, JDBC
- Database: MySQL, Firebase

Training and Certifications

- [Java \(Basic\)](#) | HackerRank
- [SQL \(Basic\)](#) | HackerRank
- [Training on AWS Fundamentals](#) | Internship Studio

Experience and Projects

- **Project-based Internships:**
 - [Web Development Internship](#) | Smart Knower | Dec 2020 – Jan 2021 |
Food Paradise – A static restaurant website, built using HTML, CSS, JavaScript and Bootstrap
 - [Microsoft Future Ready Talent Internship](#) | Microsoft | September 2021 – June 2022 |
Healthy-Meals – Deploy a static web app on Azure cloud. Used Static web apps service from Azure App Services.
- **Projects:**
 - **HomeMate** – All in one Home Services android application | Android Studio, Java, Firebase
A simplified app for home services, similar to Urban Company but with unique features and a user-friendly interface. HomeMate enhances the traditional service booking through online service bookings.
 - **#Gharguti** – Home cooked meal service website | Graduation project | HTML, Bootstrap, PHP, XAMPP Server
An online meal ordering website with daily menu updates, user login, cart, payment options, and order tracking. #Gharguti transforms traditional Meal services by providing an online food ordering platform.

Extracurricular Activities

- Player of the winning team in Tug of War at college sports event "Sphurthi", 2024
- Participated in "Beach Cleaning Program" at Dadar Beach organized by Rotary Club of Bombay, Oct 2023

Personal Strengths

- Strong problem-solving and quick learning abilities; collaborative and team-oriented
 - Motivated and adaptable to learning new technologies
-
